St. Mary's

We are holding a competition so that families can join in with the celebrations! We are asking children to decorate a wooden spoon, inviting children to transform a simple wooden spoon into a beloved book character using paint, fabric and craft materials. We ask that children bring in their wooden spoons on World Book Day – they will be judged that day and prizes will be allocated to the winners!

Could you turn a

WOODEN SPOON

into a

BOOK CHARACTER

for World Book Day Thursday, March 5th, 2026.
