

St Mary's Book Fair!

Monday 17th November to Thursday 21st November

The perfect event for nurturing a love of books!

We believe that the key to inspiring children to enjoy reading is putting the right book in front of them. From first word books to complete chapter books for confident readers, Scholastic have carefully curated a range of children's books to help children on their reading journey - whatever the stage they are along it. Books feature everything from encyclopedia's and activity books to best-loved fiction perfect for every young bookworm-in-training.

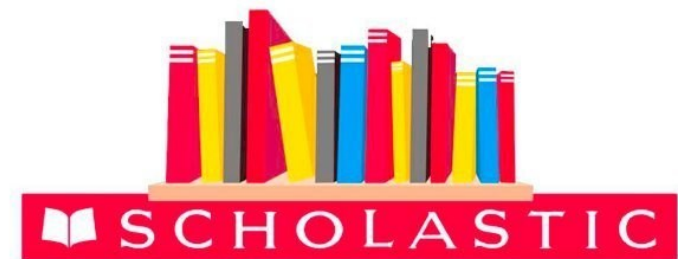

Children will be visiting the book fair in small class groups during 17/11/25-21/11/25. Children will browse and read their favourite books. If they ask to put a book by, we will put it to one side to buy later that day.

Parents and families are invited to attend the Book Fair each day from 3.30pm to 4.00pm with their children.

Please note: this year, all payments must be made by card.

Come and visit our

Book Fair

**Monday 17th November
to Thursday 21st November**
