Nursery Update and Important Changes to Collection Arrangements

Dear Parents and Carers,

Welcome back to a new term. We hope you had a restful break.

Our Nursery children have settled back into school brilliantly and have already taken part in a range of wonderful activities. We are also delighted to welcome Miss Penrice to the team, who will be the Nursery Class Teacher for the foreseeable future. Please do take the opportunity to introduce yourself to her. There will also be time to discuss your child's progress further during our Parents' Evenings in March.

Following feedback received in the parent surveys issued last week, we will shortly be installing a new, higher fence along the path leading to the Nursery to further enhance safety for all children throughout the school day.

Once children have arrived at school by 9:00am, the main Nursery gate will remain locked until 3:25pm. As a result, there will be important changes to collection and drop-off arrangements for children who attend Nursery part-time.

From 21st January 2026:

- Children who finish Nursery at 11:45pm should be collected from the **main school office**.
- Children who start Nursery at 12:30pm should be brought to the **main school entrance**, where a member of the Nursery team will meet you.

We kindly ask that parents and carers are prompt with drop-off and collection times, as this is a particularly busy period of the school day.

Thank you for your continued support and cooperation.

Yours sincerely,

Mrs D Douglas
Headteacher.
