Dear Parents and Carers,

Over the past 12 months, the development of our Early Years Foundation Stage (EYFS) environment, both indoors and outdoors, has been a key priority for the school. We are extremely fortunate to have the space and grounds available to us, and we are committed to making the very best use of these to support high-quality learning experiences for our youngest children.

After careful consideration, we have reorganised the use of our classrooms in order to establish a dedicated EYFS unit. This new arrangement will encourage greater collaboration across Nursery and Reception, enhance continuity in learning, and enable the EYFS Leads to more effectively oversee the curriculum, childrens engagement, and individual progress.

This move also allows the Key Stage 1 unit (Year 1 and Year 2) to be located directly opposite one another, further encouraging collaboration between classes and enhancing learning opportunities for all pupils within Key Stage 1.

As part of this change, we are also updating our start and end-of-day arrangements. From **Friday 6th February**, all EYFS children, including those in Nursery, will enter and leave school **via the main gate**. The school day timings will remain the same, with arrival at 8.40am and collection at 3.30pm.

We believe these changes will have a positive impact on childrens learning, development, and overall experience. Thank you for your continued support as we make improvements to further strengthen provision for our children.

Should you have any questions, please do not hesitate to contact the school office.

Yours sincerely,

Mrs D Douglas  
Headteacher
