Dear Parents and Carers,

We are already approaching the end of the Spring Term, and it has certainly been a very busy and productive few months for everyone in school.

After reflecting on the term and following discussions with our Governors, we have decided that written reports will be issued for the Spring Term for the classes Reception to Year 5. This decision was made partly because of the shorter nature of this term and because teachers felt they would have more to share later in the year, especially as our previous parent meetings were only held in November.

As a result, during the Summer Term we will hold face-to-face meetings for Nursery to Year 5 classes. This will give you the opportunity to meet with your child's teacher, look through their exercise books, and reflect together on the progress and experiences they have had throughout the year. Teachers will also be able to discuss your child's transition to their next class and share ways you can support them over the summer break as they prepare for the next academic year.

The Spring Term reports will be sent out during the final week of term.

Face to face parents evening will still take place in March for the Year 6 children to discuss targets and predictions for their upcoming SATs.

Thank you, as always, for your continued support.

Yours sincerely,

Mrs D Douglas
Headteacher
