Dear Parents and Carers,

We are writing to inform you of an exciting change to our school catering arrangements.

From 1st April, we will no longer be working alongside Dolce and will instead be bringing our catering service in house. Mrs Waite, who has been our school cook for some time, will continue to lead our kitchen and we are very excited to introduce new menus, greater food choices and delicious home-cooked meals for our children.

As part of this change, there will also be a new procedure for ordering school lunches. Parents will continue to order through SchoolGrid, if you are not already using the system, please contact the school office so they can set up an account, ready for the changeover. From 1st April, all school lunches must be pre-ordered at home. For parents and carers who pay for school lunches, you will need to ensure that there is credit on your account in order to place an order.

If a lunch is not ordered at home, we cannot guarantee that your child will receive their first choice of meal. For this reason, we strongly recommend that parents and carers place orders a week at a time rather than ordering day by day.

Further information regarding menus and ordering will be shared with you shortly.

We are looking forward to this new chapter for our school meals and are confident that the children will enjoy the new menus and freshly prepared food.

Thank you for your continued support.

Yours sincerely,

Mrs D Douglas  
Headteacher
