Dear Parents and Carers,

I hope you are well. Firstly I would just like to say how well Year 6 are doing and are completing the SATs papers with confidence and calmness.

Secondly, I am writing to ask for your support and supervision regarding the integrity and confidentiality of the KS2 tests currently taking place.

Unfortunately, due to illness, one pupil in Year 6 was unable to sit the KS2 test alongside the rest of the cohort today and will therefore be completing the test at a later time. In these exceptional circumstances, schools are required to take steps to protect the security and confidentiality of the test materials.

We kindly ask that you support us by ensuring that your child does not discuss the content of the test with the pupil who was absent. We would also appreciate your supervision in helping to ensure that children do not share or access any information about the test through online platforms, social media, messaging apps, or other forms of communication.

Your support is greatly appreciated in helping us maintain fairness for all pupils and comply with national testing guidance.

If you have any questions, please do not hesitate to contact the school.

Thank you for your understanding and cooperation.

Kind regards,

Yours sincerely,

Mrs D Douglas
Headteacher.
