The Education Secretary has asked me to share the following with you...

Dear Parent/Carer,

I am writing to let you know about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on 7 July 2026. However, Pearson Education Limited, the provider responsible for administering, marking, and returning Key Stage 2 results to schools has informed the Department for Education of a delay affecting the national system used to make results available to schools. Results will now be available on 16 July 2026.

Importantly, the delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with usual processes.

This will not impact your child's transition to secondary school and no action is required from parents or pupils. We will share results with you as quickly as possible after we receive them on 16 July.

Thank you for your patience and understanding.

Education Secretary

From us as a school

As soon as we get the results on Thursday 16th we will be working hard to get them out to all parents by the end of the day. The results will come home in an envelope for you and Miss Heron will have shared these with your child throughout the day.

Kind regards

Mrs Douglas
