Thursday, September 10, 2026

Dear Parents and Carers,

I am writing to inform you of a change to the teaching arrangements for our Year 3 and 6 class which will take place from Monday 14th September 2026.

Following careful consideration of the needs of the children and the expertise and experience within our teaching team, we have decided that the previous Year 6 class teacher, Miss Heron, will return to the Year 6 classroom and resume this post.

Mrs Chenery-Carr, who has recently joined us from her previous school where she taught Year 3, will transition into the Year 3 class teacher role. This will enable us to utilise the individual strengths, experience and skill sets of our teaching staff as effectively as possible across the school. Mrs Chenery-Carr has considerable experience teaching Year 3 and will be a great asset to the children as they begin their journey through Key Stage 2.

When making decisions about staffing, our primary consideration must always be the needs of our children. We have therefore carefully considered where the particular skills and experience of each member of staff can have the greatest impact on children's learning, progress, wellbeing and development and feel it is important to make these changes now rather than later on in the term.

The children have made a positive start to the year and we will ensure a smooth transition. Mrs Chenery-Carr and Miss Heron will work closely together to share information and ensure that learning and routines continue seamlessly, so that the children will continue to receive the high-quality teaching, support and care that they deserve.

We would like to thank you for your continued support and understanding as we make these changes and you will have the opportunity to meet these members of staff alongside myself at the "Meet the teacher" meetings;

- Year 3 Meet the teacher is now Tuesday 22nd September at 3.15pm
- Year 6 Meet the teacher will be Thursday 17th September at 3.15pm

Yours sincerely,

Mrs D Douglas
Headteacher
