

Individual School Photographs

Wednesday 16th September

We will organise internal sibling photographs throughout the day, but if you have children who do not attend St Mary's (or are not in Nursery on Wednesday) you can bring children to the main entrance from 8.15am to have a family photo taken. Please be aware this is through the car park with cars entering and parking.

Family photos will be taken on a first come basis, please make sure you take a ticket from Mrs Dyer as soon as you arrive. Doors will not be opened until 8.15am.

Please be aware, that you are not permitted to take photographs or use your phone on school premises.

**No mobile phones
or photography**
